★ COURSE OVERVIEW

Being a manager requires a whole new set of skills that can be very daunting to the recently appointed manager. Suddenly you are required to perform a completely new and different role as well as to take responsibility for the performance of others. Your success is no longer dependent upon tasks completed by you but by the performance of your team.

Without the skills to manage well, your own performance is in jeopardy. On the other hand, a skilled manager can double the productivity of a team and significantly impact the performance of a business unit or company.

To assist newly appointed managers to gain the necessary skills to be successful in their new role, AstroTech is offering a training course on "Management for New Managers".

The course covers the following key topics:

- People Management & Leadership
 - The role of a manager
 - Management vs Leadership
 - Change management
 - Conflict management
 - Crisis management
 - Recruitment
 - Motivating your team
 - Performance management
 - Applying discipline
 - Business & Finance
 - Basic accounting terminology
 - Budgeting & Forecasting
 - Liquidity & the importance of cash flow management
 - Communication and presentation skills
 - Strategic planning
 - Basic risk management
 - Fraud awareness and deterrence
 - Stress management
 - Managing your own career
- ... AND MUCH MORE!
