COURSE OVERVIEW

Good communication is fundamental to business success irrespective of your position within an organisation. Your ability to communicate effectively affects all aspects of your role.

Whether you are presenting to management, negotiating with suppliers, interacting with colleagues or leading a team meeting, your ability to communicate well is pivotal to your effectiveness in business and hence your career and self development.

Fortunately effective communication is a skill that can be developed and in order to assist people to gain these skills, AstroTech offers a training programme which covers the following key topics:

- Understanding the principles of effective communication
- The impact of behaviour on communication
- Understanding conflict and how to deal with it
- Interpreting body language
- The value of interpersonal relationships and building trust
- Learning how to put a message across
- Identifying and addressing communication roadblocks
- Learn how to use and interpret verbal and non-verbal communication skills
- The impact of communication in a changing organisation
- Sharpening listening abilities
- Communication concepts and tools
- Includes hands-on practical interactive sessions

...AND MUCH MORE!
